

Island Flex

Flexible Spending Accounts Program

Open enrollment period March 4 to April 19, 2013

What is it?

Island Flex is a flexible spending accounts benefit program that was implemented in July of 2000. With *Island Flex*, you will be able to pay eligible out-of-pocket medical, dental, drug and vision expenses, as well as dependent care expenses, such as preschool tuition and adult day care expenses with BEFORE-TAX dollars. That means you do not pay federal, state or social security taxes on those monies. This results in more take-home pay for you!

Who's eligible?

Employees of the Executive (including DOE and UH), Judicial, and Legislative Branches, OHA and HHSC, who are members of the Employees' Retirement System are eligible.

How do I get more information?

Be sure to attend one of the workshops being conducted during the open enrollment period from March 4, 2013 until April 19, 2013
